MEMBER NEWS:

President:

Sherrill W. Hudson

The Club has reopened, and we appreciate your patience while it was closed in early July. The closure gave us a chance to do a little behind-the-scenes cleaning, and it afforded time for staff to vacation. In addition to our summer-special menu, the Club

reopened with a new lunch menu, featuring eight delectable entrées. Not to worry, all of your favorites are still here, along with our daily specials and house-made soup of the day.

With the fall quickly approaching, please remember your Club as you plan special events and holiday gatherings. I also encourage you to attend some of the special evening functions offered each month. With our membership growing, you will have an opportunity to make new acquaintances or renew old friendships while enjoying dinner and cocktails.

As you travel over the rest of the summer, keep in mind the many reciprocal clubs and benefits available to you. Pamela will be delighted to help you arrange your visit to these clubs.

Intermediate Committee:

James R. Ullrich

These days, our calendars become littered with lunches and happy hours hosted by young professional organizations. I find the slower pace of Summer frees up the calendar and provides more opportunity to enjoy a spontaneous visit to the Club.

In addition to spontaneous visits, I hope you all will plan to join us as the Speaker Series will continue through the summer with a visit from Moffitt's Dr. Alan List on August 25th. The Speaker Series continues to be a huge success. I'd like to thank Mayor Bob Buckhorn and all who turned out to meet him back in July.

We will end the summer by bringing back an old U Club tradition: The Intermediates will host a Scotch and wine tasting on the evening of September 15th.

Finally, I would like to say welcome to the University Club to our newest Intermediate members: Rob Catoe, Jeremy Kaufmann, Allison Krueger & Ben Diamond.

I hope you continue to enjoy your summer and I look forward to seeing you around the Club.

Membership Committee:

Ronald L. Weaver

As the lazy days of summer are nearing an end, schools will soon reopen and our hectic schedules will once again resume. Your Membership Committee is planning an event, Wednesday, September 7th, which allows you to invite a friend or colleague to

join you as a prospective candidate and learn all that membership has to offer. This event will not only give you and your guest an opportunity to enjoy a delectable meal, but also a chance to meet with our current Board of Directors and enjoy the ambiance of The University Club. We hope you will take advantage of this opportunity to introduce someone who you feel would make a great addition to our Club's roster. Remember, it takes loyal members like you to keep our membership growing strong. Who better to promote and share what benefits await them by considering joining. Please contact your Membership Director, Pamela Kaufman to confirm your attendance. I appreciate your efforts and I look forward to seeing you all at The Club!
